*** (Friends driving *through* Decorah, continue your directions here.)

- Stay on Big Canoe Road for 6.1 miles. This road becomes Bear Creek Drive / A26.
- Turn left to follow A26 / W60 / Balsam Drive.

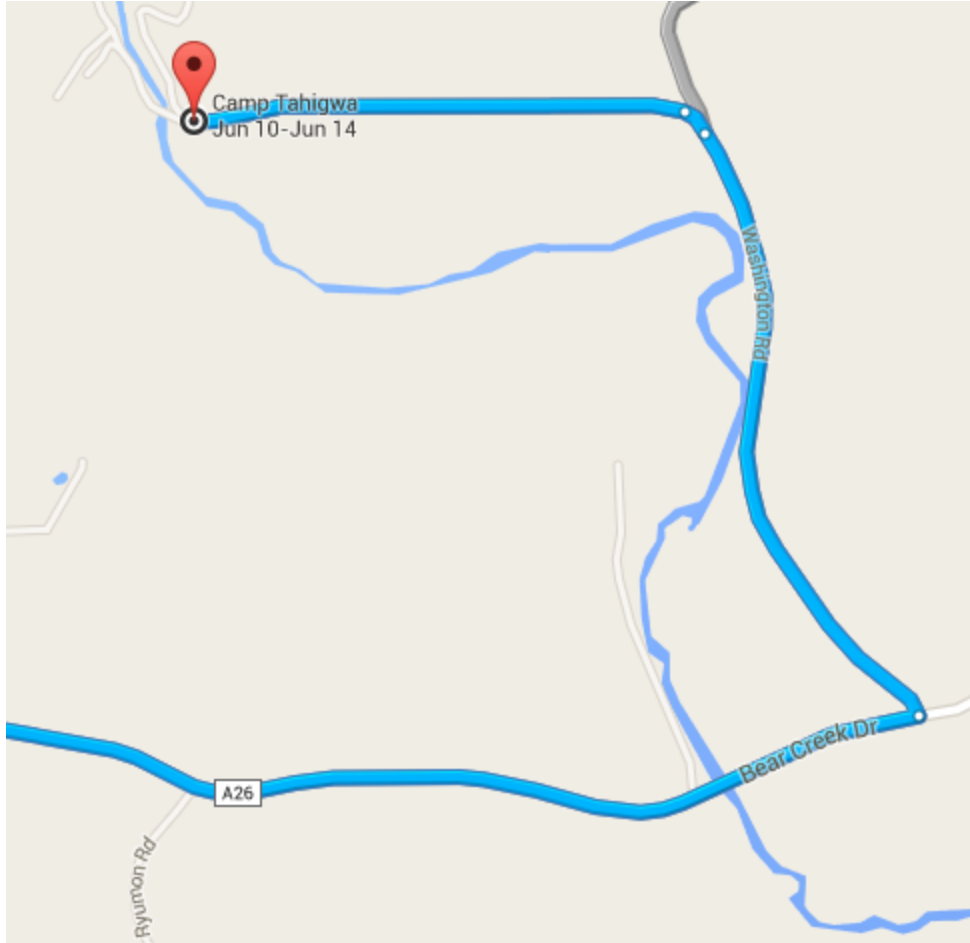

- After 0.4 miles, the road bends to the right and is again called Bear Creek Rd / A26.

- From the bend to the right, follow A26 for another 2.5 miles.
 - Enjoy the beautiful descent into the valley. Heads-up after you cross a creek.

- Take the next left onto Washington Road.
- Go about 0.7 miles.
- Take the left fork onto Tahigwa Drive.

- Park where it is convenient. You'll see other cars in the parking area.
- Look for the Welcome Table inside the camp. The lodge will be on your right and the Welcome Tent will be off to your left, on the opposite side of the road from the lodge.
- The general plan is to park and carry your things in, but if there is more than you can carry, you are welcome to drive your car in to drop things off after you have checked in at the Welcome Table. Then please move your car back to the parking area as soon as you've unloaded. Thank you!
