

Dear Families and Fans of Young Singers,

Village Fire is excited this year to introduce a KiD's TeNt! Maybe there are some ways you can help us, either by loaning some fun things or by helping out at the tent. Read on...

### **Our Wish List for Materials**

We would like to have some fun, child- specific materials on hand for the kids to use as they desire. So far, we have come up with the following wish list. Please note that we prefer natural materials as opposed to plastic. If you are able to provide any of the following items, we- and the children- would be so grateful! Please let us know if you're willing to lend:

- Bubble wands or materials with a handle and some holes, such as slotted spoons, small kitchen strainers... things that can get wet and soapy.
- Magnifying glasses
- Scarves for creative movement
- Balls [of the soccer, football, volleyball, foursquare, etc... varieties]
- Jumpropes
- Hula hoops
- Magnifying glasses [kid- friendly]
- Pillows or beanbag chairs
- Lawn games [beanbag toss, ladder golf, etc]

It would be a good idea to label what you bring with a small piece of masking tape that has your name on it in permanent marker.

### **Our Wish List of People Power**

We are looking for friendly folks to lead simple, fun activities for the children. This could mean a non-competitive game, a very simple craft, or an outdoor- specific project (nature exploring, etc). Does any old- timey, no- materials- required game come to mind? We'd be excited to hear your idea.

Lastly, we'll need some volunteer staffers to keep our children's tent safe and fun. We're asking parents if they might consider donating an hour or two over the course of the weekend to monitor the space. And of course even if you're not a parent you are warmly welcomed to help fill this role.

If you can help with any of these things, please contact Sara Mathes, [sstanek@gmail.com](mailto:sstanek@gmail.com), or call her at 608-632-0719. Thank you!
