## ● A Few More Questions

● Where would you like to lay your head at night?  
If you choose camping we can guarantee you one of those spots.  
If you choose something else we'll just do our best depending on timing & availability.

- ☐ Tenting: near or far from base camp, as you wish
- ☐ Polly's Place: a group of 4 cabins with 8 bunks each. 5-minute walk from base camp. Fire circle, electricity, no kitchen. Choose by circling: men's cabin, women's cabin, mixed cabin
- ☐ Main Lodge: same building as the kitchen. 30 beds, choose by circling: men's or women's room
- ☐ Staff house: next to Main Lodge, 10 double-futons on lower level. Small kitchen, lounge, + indoor toilets upstairs. Men + Women mixed.
- ☐ Tree Houses (not actually up in trees, but rather on stilts under trees 😊). 15 minute walk from base camp. 9 houses sleep 4 people each.

● Would you like to help with any of these camp jobs?

- ☐ Coffee/tea station tender
- ☐ Cook's assistant for a meal
- ☐ morning stretching or yoga leader
- ☐ afternoon game leader
- ☐ welcome table tender
- ☐ song recorder (run a digital recorder) Do you have one? \_\_\_\_\_
- ☐ children's tent helper

● If you have any great ideas to throw our way, here's a little space... (or add sheets for all your ideas)!

Thank you!  
see you soon!
