## Helping Out

*When you arrive at the camp Welcome Tent, you'll have a chance to sign up for a shift or two helping out at any of a variety of spots: in the kitchen, at the tea tent, in the children's area, in the healing tent, and others.*

*Some jobs we need to have filled before we get to camp. They are listed below. Can you help with any of these?*

We need a team for camp set-up, beginning Monday or Tuesday June 8 or 9. Does that sound to you like a great way to start the week? Come join us!

---

We need people to staff the Welcome Tent for 2-hour shifts. Do you like showing people a big welcome, helping them sign up for their volunteer shifts, showing them where things are? Sign up here and we'll contact you in advance to find a time that works.

---

At Village Fire, all parents are responsible for their own children's safety in the creek, 100% of the time. However, we are required by the Girl Scout camp to have lifeguards on the premises. Are you a certified lifeguard, that we could submit your name and whatever paperwork you have to prove that you are a lifeguard? This would really help!

---

We also have need of some people who are certified in Red Cross or other **First Aid** work, whose names and certifications we must provide to the camp Tahigwa office. Can you be one of these people? We appreciate it!

---

Can you plan to stay after closing circle on Sunday, June 14 to help with clean up?

---

Are there other particular gifts you'd like to offer or suggestions you'd like to make?

## Paying for Our Food and Space

*We offer a sliding scale, knowing that all will pay as they are able and thus help our event sustain itself. The choices below can be a little confusing. Why do we do it this way? It's because we really want money to not stand in the way of your coming, and because we need those who have more money to help out more. Thank you for taking the time to figure out what you can do.*
